PROFESSIONAL BODYGUARDS IRELAND

### **Duration**

It is envisaged that learners will require 140 guided learning hours in order to complete the fourteen units.

### **Candidate pre-requisites**

No specific prior qualifications, learning or experience are required for candidates undertaking the qualification. However, the nature of both the learning and assessment required for the qualification is such that candidates will need basic literacy and numeracy skills.

### **Accommodation**

Please note that all candidates are to ensure that they have accommodation arrangements made prior to commencement of the training programme. A list of accommodation in the area can be obtained by contacting the course administrator.
